# THANKS

## FOR REACHING OUT

**Mark,**

We're glad you got in touch with the information below. Our team of experts is reviewing your issue and we'll be back in touch within two business days.

**Reason:** Your NAPA Experience

**First Name:** Mark

**Last Name:** Baker

**Email Address:** [mbaker@softlights.org](mailto:mbaker@softlights.org)

**Phone Number:** 234-206-1977

**Message:**

Dear NAPA, The store on Main Street in Woodland, CA has a camera system at the front door that is pulsing high intensity blue LED light. This LED light is known to be hazardous and dangerous, triggering seizure reactions. On May 24, 2024, the FDA issued a decision that that they will not regulate LED products. This means that the entire legal burden of ensuring that this LED product is safe falls to NAPA. To protect NAPA employees and customers from seizure reactions and other adverse health and safety impacts, NAPA must turn off these blue LED lights. Sincerely, Mark Baker President Soft Lights Foundation

If you have additional questions please contact us at 1-(877) 805-6272 or 1-(800) LET-NAPA between 8AM and 5PM ET, Monday through Friday.

Thanks,  
**NAPA Know How Team**
