

Public Records Request – California Highway Patrol – January 6, 2025

CPRA REQUEST 18 days ago

[R000164-010625](#)

The complete Administrative Record related to requests by Mark Baker and/or the Soft Lights Foundation for the CHP to investigate, analyze, and/or regulate supplemental LED and laser flashing lights on vehicles between January 1, 2022 and December 30, 2024. An ADA Request was submitted on June 19, 2023 to Commissioner Duryee. A petition to regulate ambulance lights and sirens was submitted on January 30, 2024 to Commissioner Duryee. A PETITION TO PROHIBIT SUPPLEMENTAL LED FLASHING LIGHTS ON MOTOR VEHICLES was submitted to Commissioner Duryee on August 12, 2024. This Administrative Record will be presented to the Court via a Petition for Writ of Administrative Mandate. Therefore, the response to this request must include all CHP internal documents and communications related to the decision making process that resulted in the CHP ignoring all petitions and requests by Mark Baker and/or the Soft Lights Foundation.

Status : In Progress
